Testimonial for Dennis Garcia
Garcia's Painting and Handyman Services

September 7, 2010

Dennis Garcia and his team did a fantastic job on my basement staircase and landing area. Dennis came out to meet with me and go over the specifics of what I wanted done. His bid was fair and affordable and the work was beyond exceptional.

The treads on my basement stairs were old, worn and cracking. Dennis and this team replaced each of the treads, sanded and varnished the wood and painted the unfinished walls in that area of the basement.

The finished product exceeded my expectations and it is so much more enjoyable to go into my basement.

Sincerely,

D'vorah Lansky
